

Tutorial: Federated Search for Nlist resources.

Tips for you if you want to search articles and ebooks quickly from all the databases listed in NLIST consortia

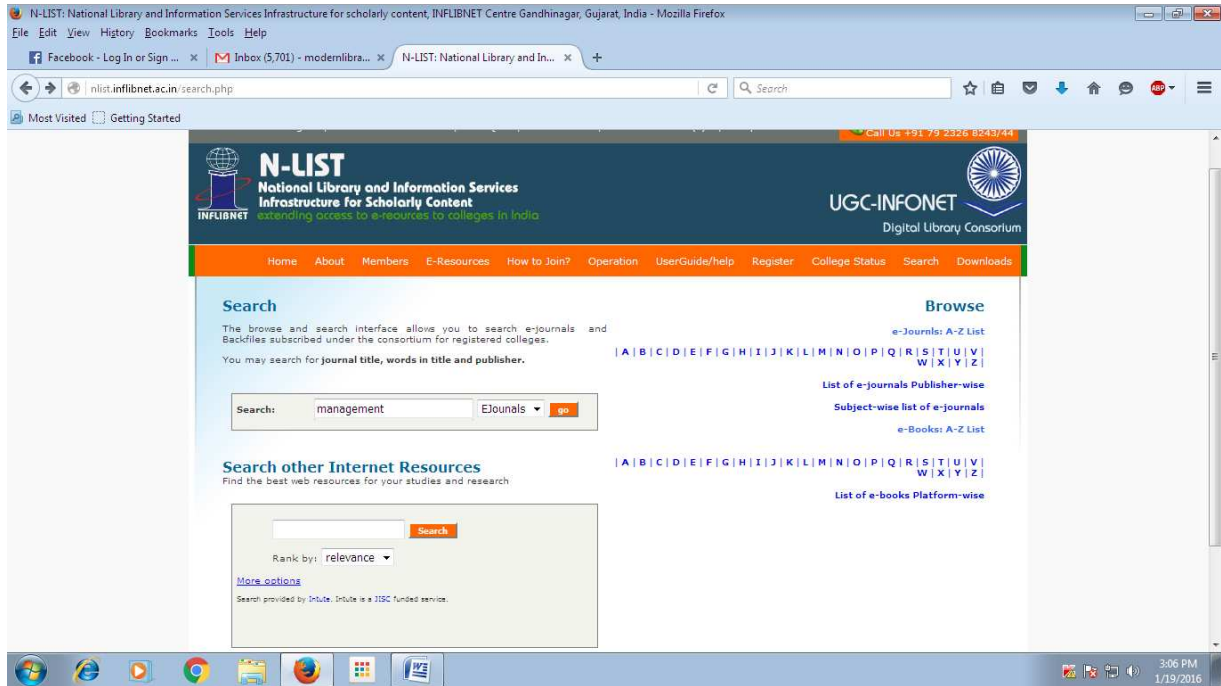

Click on Search option you will find below window.

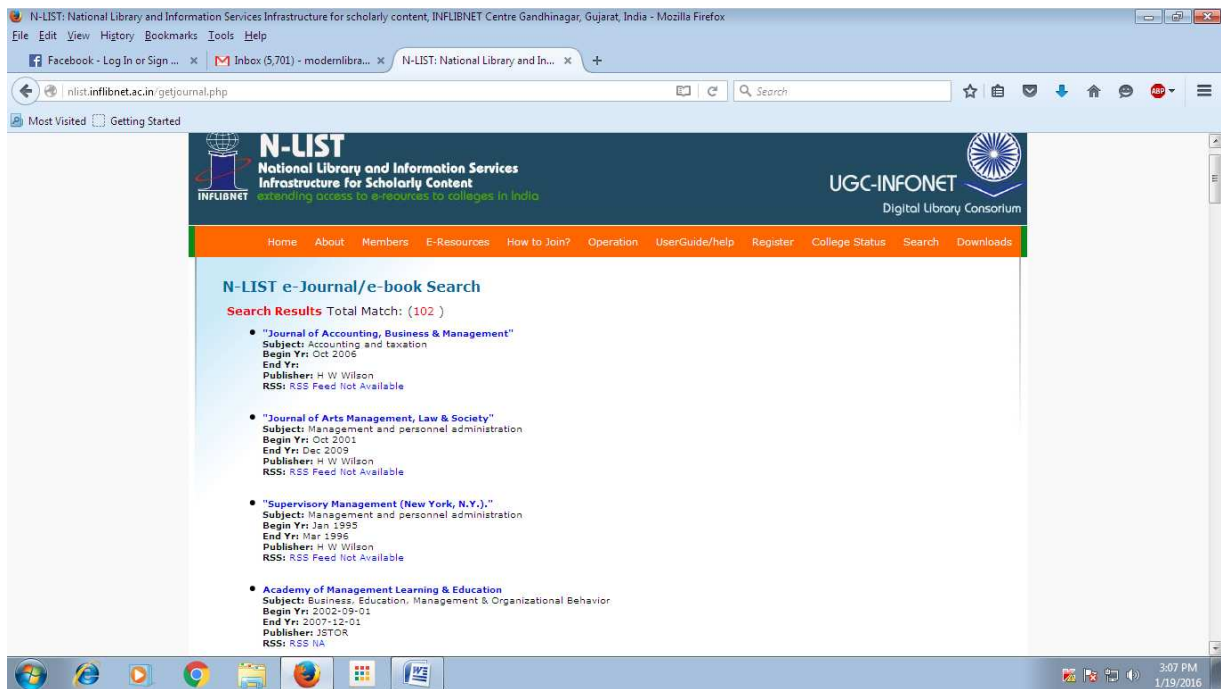

You can type your keyword and select results from ejournals or ebooks or all resources.

For e.g. management keyword in ejournals.

You will get following results. 102 paid ejournals on management are available through NLIST.

If you want to search all resources from NLIST for management term you will find total 102 ejournals and 1738 ebooks are available and you can search them clicking on their links.

The screenshot shows a Mozilla Firefox browser window displaying the NLIST website. The address bar shows the URL nlist.inflibnet.ac.in/getjournal.php. The website header includes the NLIST logo, the text "National Library and Information Services Infrastructure for Scholarly Content", and the UGC-INFONET logo. A navigation menu is visible below the header. The main content area displays the search results for the term "management", showing a total of 1840 matches. The results are categorized into E-Journal (102) and E-Book (1738). A "Back" link is provided below the results. The footer of the website includes contact information and a copyright notice for 2015.
